TOPIC: Women's Power to Heal

"Strive to cultivate inner harmony and good health and you'll find peace everywhere"

--Mother Maya

Mother Consciousness may be viewed as the indestructible maternal energy imbued in each and every person -- the central support that upholds the whole universe.

Mother Maya's book, *"Women's Power to Heal through Inner Medicine"*, illuminates how women of all ages, backgrounds, and cultures can transform disease and despair into health and inner harmony.

Learn the necessity you have as a woman to realign your natural biorhythms in accord with your ongoing relationship to the earth, sun, moon, sky, water, forest, animals, and children. In so doing, you invoke your perennial right to your female cosmic anatomy and reproductive authority. In essence, you will learn the importance of restoring the Shakti-packed role of the Mother in producing and sustaining life. This must be honored as most sacred if we are to maintain the Mother Consciousness.

"I have been inspired by the work of Mother Maya (formerly known as Maya Tiwari) for many years. Her latest book, *Women's Power to Heal*, is a masterpiece of women's wisdom and power."

--Christiane Northrup, MD - *Women's Bodies, Women's Wisdom*

Sri Swamini Mayatitananda -- affectionately called Mother -- is considered an embodiment of the Divine Mother. She is a world Spiritual Mother, whose wisdom and
