LIVING AHIMSA: THE POWER OF PEACE EVENT WITH MOTHER MAYA

The Living Ahimsa World Tour 2009-2012 embodies the deepest value of peace for every person who strives for harmony in thought, speech and action. Through *Ahimsa*, Mother Maya teaches us to transform violence, disease and despair into harmony, wellness and joy. Our collective Vow of Ahimsa has a profound impact on the cosmic psyche of peace, and the actualization of a world at peace. Since its inauguration, *Living Ahimsa—The Power of Peace World Tour 2009-2012* has attracted more than 145,000 participants worldwide who have taken The Vow of Ahimsa. The Living Ahimsa World Tour officially began at the Parliament of the World's Religions, Melbourne Australia in December 2009, where Mother's Address inspired thousands to take the Vow of Ahimsa. The 108th Living Ahimsa Peace Mandala was created at this event.
