CONVERSATION with MAYA ~ DISCOVERING LOVE

Satsanga with Maya Tiwari

An intimate evening gathering in conversation with Maya Tiwari.

Maya informs, Love is the tangible and illusive energy that we must never let go of. Love is the language of the Divine. And when we are aware of its power in our lives, we hear its resounding resonance through our hearts. Whatever may be the illness, challenge, difficulty, disappointment, and crisis in your life, hold on to this implacable truth: You are loved. And you have the power to refill love from within. Even when the inner light grows dim, or love is betrayed, or when we lose a loved one, love can never be taken away from us. Because we are Love! You are Love! I am Love! Every tissue, cell, and memory of our being is composed of the cosmically divine material of love, just love.
