HONORING SHAKTI ~ THE WAY OF PEACE

Honoring Women Peace-builders with Maya Tiwari

'If we are to gain the Mother Consciousness, the love for the One must include love for all; prosperity for all must precede prosperity for one's self. Health for all must occur first before health for one's self can be accomplished. Poverty in the world must be eliminated before we can personally harvest true abundance. Peace for the self must be peace for all. Above all else, peace must start within. It starts with me!' -- Maya Tiwari

Women play the most powerful role in the preservation and nurturance of our earth - inside and out. Innate to our nature is the Shakti - primeval feminine power - the energy and vibration that naturally safeguards the intelligence and abundance of the Mother. Women, in particular, are endowed with Mother Devi's staff to nourish, nurture, guide and heal all of life ~that is, when we find the courage to stand tall and be stoic in our purpose.

Join an intimate evening of inspirational sharing, ritual, song and meditation, on the work of spirit offered in reverence, celebration and unity of the way of peace. Standing together, joined in spirit, the fire-keepers of Shakti join in reverence, in celebration and unity of the way of peace. Come and honor Women Peace-builders who live in service to the universal family and the loving protection of All.
